www.redlionredhill.co.uk**

Christmas time is fast approaching and at the Red Lion that means it is time to party again!!

We have designed a Christmas menu we think has something for everyone & we hope that you will agree our menu offers a good selection for people to choose from, whilst retaining the quality of product that is so important to us.

More importantly, in these tough financial times we have tried to ensure that we offer our customers value for money.

You and your guests can choose either 2 courses or 3 courses. In order to ensure the best possible service is achieved we do ask that all parties pre-order and that a deposit of £5.00 per head (or £50.00 per party whichever is the greater) is paid in order to confirm the booking.

Please note that the super package MUST be for an even number of guests in order that the price works out correctly. However, you can mix and match between the packages in your party as you choose.

In order to make your booking as hassle free as possible we have attached a booking form to the back of our Christmas menus listing all the details we require from you. These are available from the pub, alternatively we can post one to you upon request. Once a booking has been made and confirmed with a paid deposit then we can send you a pre-order form for your completion.

Should the party menu not offer what you require, please don't worry. Our watch word is flexibility and we can tailor a menu to meet your exact needs. Should you wish to discuss arrangements for your Christmas party or indeed any other occasions please contact Dave or Laure at the pub who will be delighted to assist you further.

If you would like further details on the New Years Eve Party then please do not hesitate to contact the pub. Tickets will sell out quickly.
